
PAPERBOY

THURSDAY, AUGUST 13, 2026

Paperboy is publishing here now. The first real brief lands tomorrow at 06:00 Eastern.

SETUP

The web edition is live

WHAT HAPPENED

This page is what the daily brief will look like. It always shows the most recent daily; the weekly lives at [weekly.html](#), and every past issue is in the archive linked at the bottom.

WHAT IT MEANS

Add this page to your home screen and it opens like an app, straight to the current brief, with no navigation and no app to install.
